Five specialist factories, one counterparty

A project that needs flooring, wall panels and decking usually means several suppliers, several quality standards and several sets of documents. Sovern Group is five specialist factories working together, so that choice does not arise.

Made to your specification

Our factories make to your specification. For flooring, the colour and the brand are yours to choose.

Your choice

WHAT YOU CAN SET	HOW
Colour and decor	Any colour: for laminate and resilient flooring we source the decor papers. Wood flooring is made in the colour and finish you ask for.
Your brand	Every flooring product can be made to OEM, in your colour and under your brand.
Format and thickness	Planks, long and wide planks, herringbone, chevron and tile, in the thicknesses in each catalogue and others to your request.
Core and wear layer	SPC, WPC, IronLite and LVT cores, and wear layers from 0.3 to 0.7 mm.
Samples	Samples of any decor or board can be arranged.

Ready stock

Flooring that is already made and ready to ship, mixable in one container.
